

## Setting up a New U3A - Insurance

An issue that your Committee must address very early, is one of insurance. Our society is becoming increasingly litigious, and your U3A and its members must be protected by insurance that, at the least, covers public liability, directors, tutors, volunteers, and a small accident cover for volunteers.

In the first year Insurance cover for the new U3A can be arranged at low cost from the U3A Network committee. contact our Treasurer [treasurer@u3aqlid.gmail.com](mailto:treasurer@u3aqlid.gmail.com)
