Suggested future Network aims

More personal contact with U3As across Queensland

Look at more involvement with non-anglo saxon nationalities

Engage with U3As in other states to see if they have additional ideas that we can take onboard

Increase network Queensland awareness to U3As, what they do, who they are

Ensuring insurance cover

Policies are: Prioritised, clarified, distributed to all branches

Addressing cover for:- detail required in attendance records, excursions, visitors/guest speakers

Not enough people know about this wonderful organisation.

National U3A Card re Insurance etc

Committee training

Obtain deductible gift recipient status for all 3A branches to allow for donations

Registration as a charity first

Encourage Indigenous membership

Need a kit to establish good working relationships with local governments

More dialogue between local U3As

President's councils to be open to more members and access via Zoom
