The city of Rockhampton in Central Queensland, known as the Beef Capital of Australia, is the place to be to celebrate the 50th Anniversary of U3A worldwide.

Rockhampton U3A will be the first U3A to celebrate this important occasion when it hosts the U3A Network Queensland State Conference, 8 -12 May, 2023.

Located on the Tropic of Capricorn, Rockhampton draws visitors from around the world. Some come to explore the Great Barrier Reef, others to visit the historic mining town of Mt Morgan or beyond to the Gemfields, a jumping off point to the outback. Discover a host of attractions from prehistoric dinosaurs, mining and agricultural ventures while learning of our rich indigenous history when you stay a little longer.
